Preparations.: Because bed bugs are difficult to treatment, it is important that you prepare your space for our technicians. In order for us to eradicate your infestation as quickly as possible, we ask for you to perform the following prior to your bed bug treatment visit:

Remove All Clothing & Linens from Dressers, Drawers, & Mattresses

Place These Items in a Dryer, on High Heat, for 30 to 60 Minutes

Place These Items in Plastic Bag & Tightly Tie Them, to Ensure No Bed Bugs Can Re-Enter And Re-Infest These Items During Treatment

Pets Can Be Put in Bathrooms or Taken Out During Services

	Under 12 feet	**12-24 feet**
Bee Treatments (Wasps Bees, Hornets etc.)	**$325.00**	**$375.00**

Customer must be able to identify where bees are nesting or where the Hive is located before booking service. Also treatment is only performed, at dusk so most if not all bees or wasps are in the nest.

Termite Treatments (Subterranean termites) $1500.00 (average structure 2 year guarantee)

Chemical application via drilling and pumping termite solution to soil that surrounds the structure.
